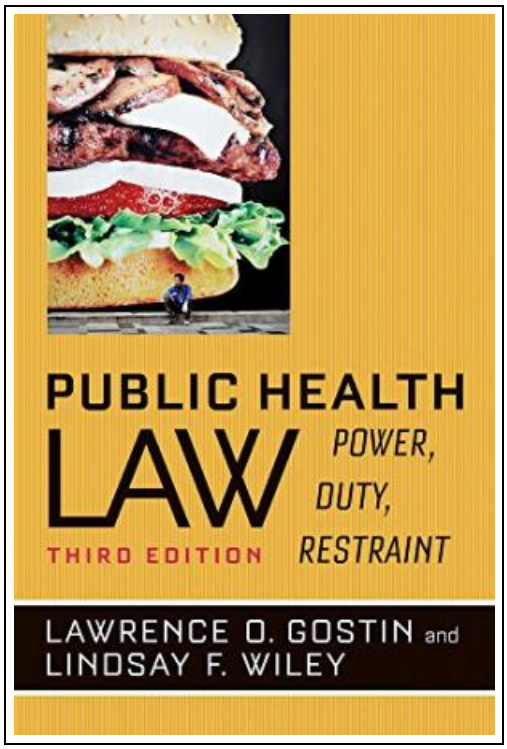
Public Health Law: Power, Duty, Restraint (3rd Revised edition)



Filesize: 3.05 MB

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

University of California Press. Paperback. Book Condition: new. BRAND NEW, Public Health Law: Power, Duty, Restraint (3rd Revised edition), Lawrence O. Gostin, Lindsay F. Wiley, Thomas R. Frieden, Lawrence O Gostin's seminal Public Health Law has been widely acclaimed as the definitive statement on public health law at the turn of the twenty-first century. Gostin's definition of public health was based on the notion that the government bears certain responsibilities for advancing the health and well-being of the general population. The book developed a rich understanding of constitutional powers and limits, as well as statutory, administrative, and tort law, demonstrating the vital importance of law as a tool in the realization of a healthier and safer population. In this bold new edition, Gostin is joined by coauthor Lindsay F Wiley to analyze the crucial role of law in addressing today's major health threats, including emerging infectious diseases, bioterrorism, natural disasters, car fatalities, gun violence, opioid overdoses, and chronic diseases caused by tobacco use, poor diet, and physical inactivity. The book creates an intellectual framework for the modern field of public health law and supports that framework with illustrations of the scientific, political, and ethical issues involved. In proposing innovative solutions for the future of the public's health, Gostin and Wiley's essential study provides a blueprint for coming public and political debates in this dynamic field. New issues covered in this edition: it features corporate person hood rights raised in response to regulations of tobacco, food and beverages, alcohol, firearms, prescription drugs, and marijuana; local government authority to protect the public's health; it focuses on deregulation and harm reduction as modes of public health law intervention; it focuses on taxation, spending, and alteration of the socio-economic environment as modes of public health law intervention; it provides access to health care as...
