AN OUTSTANDING GOLDEN AGE MYSTERY CLASSIC ONE OF THE MOST IMPORTANT BOOKS ABOUT WOMEN OF WORLD WAR II! Bright and breezy sabotage and romance with plus appeal for murder-mystery-spy addicts. S.E.P. Kirkus Reviews Not long after the bombing of Pearl Harbor and U.S. entry into the Second World War, the government realized the draft would seriously deplete the country s entire workforce, including entry-level labor, skilled trades, office staff and management. The only possible replacement was to be found in the ranks of the nation s women. But for women to join the workforce, major changes would have to occur. Traditionally characterized as an emotional and caregiving labor force-homemakers, mothers, nurses, teachers and the like-women would have to adopt a whole new view of themselves and their capacities (as would men of them), and quickly. In a world without TV or internet, a radical revisioning of woman s capabilities would have to be promulgated via radio, newspapers and magazines. So the U.S. government called together leading writers and journalists, asking them to help by printing and broadcasting stories, novels, and factual reports supporting the heretical notion that women could make great factory and office workers-and even run those factories and offices-without losing their natural urge to be homemakers, mothers, and wives. This effort to recruit women into the labor force, as Nancy F. Cott writes in Women and War, was the major propaganda campaign directed toward American women during World War II. To make war jobs look attractive . magazines published romances in which women who entered defense industries found fulfillment in performing work for the nation. In such tales, the heroines were rewarded for their dedication to difficult jobs with...
