By Joe F Kamm

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Jack Nuse works for the Rocky Bottom Beach Police Department but you won't see him at any morning briefings or even on the payroll. He's the man they call when someone slips through the cracks, or when the RBBPD needs someone to clean up one of their messes. When a motivational speaker turned cult leader disappears into the depths of the depraved south side of Rock Bottom, Jack is the only man who can find him. Not just because he is the only man crazy enough to go to the south side, but because his father is the founder of the Beach Rat Mafia, the south side's most powerful gang. As he searches for the missing man, Jack becomes tangled up in a war between rival gangs and realizes that he is a pawn in the master plan of a drug-crazed madman.
