This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This is the perfect kit for you if you ve always wanted to try origami, but could never settle on a single style or type of paper. Don t limit yourself -- try them all! What s all this buzz about origami? It seems that everywhere we look, people are folding paper! While previous generations may have made greeting cards with cranes folded from pretty scraps of paper, the art has advanced to such a degree that we are now seeing it grace retail store windows; on TV and in print ads; as clever dollar bill folds on display in restaurants; being used as tangible manipulatives to teach geometry more effectively in our schools; on display in libraries; and even as fine art exhibitions in the poshest museums around the world. Perhaps paper folding appeals to you, but you have never done it. What are the rules? What papers work best? Do I need any special tools? How...
