Wisconsin Institute of Nutrition, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.An Extraordinary Power to Heal, by Bruce Semon, M.D., Ph.D., and Lori Kornblum, the authors of *Feast Without Yeast: 4 Stages to Better Health* (1999), was written for people suffering from medical problems that traditional medical treatment can't solve. These problems include Autism, ADHD and ADD, Tourette's Syndrome, depression, headaches, seizures, eczema and psoriasis, allergies, food addiction, fibromyalgia, Chronic Fatigue Syndrome, Crohn's Disease and ulcerative colitis, multiple sclerosis, rheumatoid arthritis, and even more medical problems. This book explains why the yeast chemicals that come from your food and from yeast living in your intestines cause these conditions and how you can change your diet to stop them by taking charge of your health and getting lasting treatment. Readers will learn how to control what they eat and control the yeast chemicals. This book is full of real cases of real people who changed their lives by following Dr. Semon's treatment. *An Extraordinary Power to Heal* contains a complete treatment plan, and has comprehensive footnotes referencing medical studies that support the observations, case studies and explanations in the book. The companion cookbook, *Extraordinary Foods for the Everyday Kitchen*, has more than 125 recipes and more than 60 menus.
