Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Scotland, Vol. 1 of 2 The Author was invited to undertake this general Sketch of Scottish History in connection with a similar abridgment of English History by Sir James Mackin tosh, and a History of Ireland by Thomas Moore, Esquire. There are few literary persons who would not have been willing to incur much labor and risk of reputation for the privilege of publishing in such society. On the present occasion, the task, though perhaps still a rash one, was rendered more easy by the Author having so lately been employed on the volumes called Tales of a Grandfather, transferred from the History of Scotland, for the benefit of a young relation. Yet the object and tenor of these two works are extremely different. In the Tales taken from Scottish history, the author, throwing into the shade, or rather omitting all that could embarrass the under standing or tire the attention of his juvenile reader, was desirous only to lay before him what was best adapted to interest his imagination, and confining himself to facts, to postpone to a later period an investigation of the principles out of which those facts arose. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
