

A (Brief) History of Vice: How Bad Behavior Built Civilization

Filesize: 2.04 MB

Reviews

Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).
(Prof. Martine Lesch)

Plume. 1 Paperback(s), 2016. soft. Book Condition: New. Agriculture, architecture, and metalwork might have transformed us from hunter-gatherers into modern man, quips Cracked editor Robert Evans, but it was booze, sex, trash talk, gluttony, and hallucinogens all the ingredients of a really great party that built our civilization. Part history lesson, part how-to guide, Evans's book includes interviews with experts and his own experimentation to illuminate the many ways in which vice has influenced history, as well as step-by-step instructions for re-creating the intoxicating experiences of our ancestors. You'll learn how to trip out like a Greek philosopher, rave like your Stone Age cousins, get drunk like a Sumerian, and smoke a nose pipe like a pre-Columbian American. "Mixing science, humor, and grossly irresponsible self-experimentation, Evans paints a vivid picture of how bad habits built the world we know and love." David Wong 259.
