Balboa Press, United States, 2014. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.A true account of divine encounters of a most beautiful kind--visitations of a holy being bringing a divine message. Haidakhan Babaji is a legendary teacher, a manifestation of divine love, who appeared in the foothills of the Himalaya in the middle of the last century, and who left his body on Valentine s Day, 1984. Babaji appeared to Geri on more than one occasion, encouraging her to write a short and sweet, unvarnished handbook about the methods she had learned and used in finding her own inner peace and healing. How to Find Your Inner Glow is a step-by-step guided meditation--and more. It is a quick and easy method leading you to the gateway of inner peace and divine unity. Babaji reveals a beautiful, divine message as he appears to Geri in the early hours of the morning in out-of-body encounters. Part of that message is that he is still very much here with all of us today. There is no separation.
