Fun Done Press, 2014. Paperback. Condition: New. Language: English . Brand New Book. Forget church growth! In the twenty-first century, it is multiply or dry up. There doesn't seem to be another alternative. We believe that any church can reclaim the foundational multiplication DNA of the Jesus movement. Unfortunately, too few leaders and churches understand what it takes and what it looks like to multiply their impact to bring more of God's reign to earth. We hope this booklet helps you internalize the concept of multiplication so your church might move more boldly with God. We pray this boldness empowers concrete and constructive next steps that create new places of spiritual community and transformation with new people.
