Transparent Publishing Company, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Almost four hundred and thirty years later, Stephen Brown opens a new chapter in the history of the Spanish Armada. The identity of the Spanish Armada ship that sank off the coast of Portencross in Ayrshire, Scotland, has been shrouded in myth, mystery and misdirection for over four hundred years. In this volume, Stephen Brown names that Spanish ship, whilst uncovering conspiratorial plans of the Scottish counter-Reformation that threatened not only the crown of Scotland, but also the very future of the British Isles. This is an incredible new find that promises many further exploration opportunities. The author then describes and illustrates the successful 1740 salvage operation that saw twenty Armada cannon brought to the surface, shows that ten were destroyed and details where at least five of these remain outdoors on the west of Scotland to this day. This volume will appeal to those seeking to understand the incredibly volatile society of late sixteenth century Scotland. It finally lays to rest a mystery that has dogged the community of Portencross for many, many years and outlines a major new national find that will stimulate and excite historians, archaeologists and naval explorers alike. Contents: Chapter 1 - Naming The Ship In which, after four hundred and twenty seven years, the author reveals the name of the Armada ship that sank at Portencross. Chapter 2 - The Rosario The story behind the sinking, and revealing the secret plan of the Spanish diplomats and military men who landed in Ayrshire, and who would seek the support of King James VI against the English. Chapter 3 - The Portencross Wreck The detailed story of the sinking of the ship,...
