Egmont UK Ltd, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. From award-winning author, Catherine Forde, comes Fifteen Minute Bob, a coming-of-age story for the social-networking generation. Me and Dad? Well, we re on opposite sides of a gaping fault-line .No actually we re on different planets. Rory s dad is a struggling singer-songwriter and obsessed by one particular music legend. Despite years of failure, his music is all that matters - nothing else: not job, not money, not even family. So Rory s home life is unpredictable enough. But when his two best mates hook up with his dad to release a music viral, everything flips. Once again, Catherine Forde cooks up an authentic and moving book for young adults. Tackling troubling subjects such as family separation and loss, it s an abrasive page-turner in the same vein as her other awards-nominated titles Firestarter and Skarrs.
