Lark Books,U.S., United States, 2015. Paperback. Book Condition: New. Susan McBride (illustrator). Revised edition. 248 x 190 mm. Language: English . Brand New Book. Every kid (and many creative and crafty adults, too!) will want this fool-the-teacher notebook that offers oodles of doodle possibilities when boredom sets in or the brain needs a break. On the surface, it looks exactly like an innocuous composition book. But inside, it has cartoons to imitate, unfinished doodles to complete and games to play. Plus, it s got the scoop on what really goes on in the staff room! Compete in a caption contest, design your own logo, make temporary tattoos and even create secret codes. Of course, since the teacher might walk by at any moment, there are very convincing class notes to turn to.
