In every murder investigation, there are procedures to follow--and then there are the ways things get done. Michael Dooley, a drunken ex-con, has lost his wife, his child, and everything he cares about. His life has hit rock bottom. he thinks. When he stumbles upon the scene of a horrific murder, he realises that the bottom is a lot farther down than he d ever imagined. Split between the lower-class urban wasteland of the village of Broker, and the spit-and-polished elegance of the city of Brittwood, the location of the body brings bitter ex-partners Payden Beck and Bryan Verrill back together as joint detectives on the case. Their darkly storied past makes for an explosive investigation, one that turns into a maelstrom of suspicion, double-crosses, threats, intimidation, violence, and a mad dash to close the case by whatever means necessary. With the pressure building, the race to find the killer threatens to shred the lives of everyone it touches--bringing back secrets long since buried. From the very beginning, only one thing is ever certain: everyone has something to lose.
