

The Mirabelles (Paperback)

By Annie Freud

Pan MacMillan, United Kingdom, 2010. Paperback. Condition: New. Reprints. Language: English . Brand New Book. Annie Freud's award-winning first collection, *The Best Man That Ever Was*, introduced readers to a remarkably versatile new voice; *The Mirabelles* delivers a similarly exhilarating cornucopia - the *Mask of Temporary Madness*, *Marc Almond*, mini-novels a sonnet long, *Carottes Vichy*, and the most gripping account of a billiard game you'll ever read. However, in a new sequence derived from family letters, Freud has invented almost a new kind of writing: neither "found" nor "made" in the conventional sense, these poems are profoundly moving, and startling in their boldly unfashionable lack of irony. Elsewhere *The Mirabelles* is full of the world-stuff - the clothes and food, the art and social intrigues - with which we dress and conceal our deeper emotions and appetites. In the end, this is a book about reality and its representations, and the truth and lies we tell about ourselves.
