Deeds Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This is a story of courage and valor; of integrity and loyalty; of fortitude and perseverance. This is a story of five brothers who serve in five different combat areas during World War II and about their love for their country and for their fellow soldiers. And it is a story of a mother and father s love for their warrior sons and how ordinary people answered the call to serve their country and ran to the sound of the guns and not away from them. These men did not serve for riches or for wealth. They did not serve for fame or notoriety. They served because it is their duty to their country. They served for the common good. They served because it was the right thing to do.
