Mark s enthusiasm for the natural world and photography is contagious! A must read. - Matt in Florida An easy read filled with valuable bird photography tips and techniques I wish I knew years ago. - Betty in Alabama The color illustrations and beautiful bird photographs made everything so much easier to understand. - Phil in the UK I just wanted to say thank you for making photography fun, inspiring and exciting. Your book has helped me capture some great images. Marv down under in Australia Bird photography is a fun, exciting and highly addictive hobby overflowing with magical opportunities just waiting to be captured by anyone holding a camera! It doesn t matter if that camera is an entry level point and shoot, a cell phone or an advanced high megapixel DSLR with a monster zoom lens. With camera in hand, you now have the ability to pause time, take a step back and really see what our incredible world has to offer. Avid birder and wildlife photographer Mark Smith takes you under his wing and shows you how to start capturing your own breathtaking images of birds by explaining everything you need to know about bird photography in an easy to understand conversational tone that makes sense out of the often confusing jargon of the photography world. Filled with personal stories that demonstrate crucial bird photography facts and overflowing with beautiful bird images that not only inspire but also include all relevant camera settings used to capture them. You will soon be wondering why you aren t spending all of your free time putting birds in the viewfinder of your camera. Learn valuable birding information like: locating and approaching...
