Build wooden boats the Buehler way, which is to say inexpensively, yet like the proverbial brick outhouse. -- Wooden Boat A WEALTH OF VALUABLE INFORMATION. -- American Sailing Association The classic and definitive guide for the home boatbuilder--now updated Everybody has the dream: Build a boat in the backyard and sail off to join the happy campers of Pogo Pogo, right But how Assuming you arent independently wealthy, if you want a boat that is really you, you gotta build it yourself. With irreverent wit and an engaging style, George Buehler shows you how to turn your backyard into a boatyard. Buehler draws his inspiration from centuries of workboat construction, where semiskilled fishermen built rugged, economical boats from everyday materials in their own backyards, and went to sea in them in all kinds of weather. Buehlers boats sail on every ocean and perform every task, from long-term liveaboards in Norwegian fjords to a traveling doctors office in Alaska. The book contains complete plans for ten cruising boats--from an 18-foot schooner to a 48-foot Diesel Duck. For more than a quarter century, backyard boatbuilders have turned to...
