Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Next to an EMP attack or an economic collapse, martial law is probably the disaster scenario that preppers and survivalists fear the most. The fears that people have about martial law can be best summed up by Thomas Jefferson, who once said, a government big enough to give you everything you want, is strong enough to take everything you have. This is exactly what will happen during martial law. But what is martial law, exactly? Basically, martial law means that the government and the military can suspend ordinary laws in a particular area or country, giving them the ability to conduct their own trials, quickly arrest people, and confiscate their possessions. What this means for you is the government can take your rights away and also take away everything you have spent so much time and money on stockpiling. Potential triggers where martial law may be declared include the following: -Uncontrolled Civil Disobedience (violent rioting, protesting, etc.) -War -Natural Disaster -Dictatorship -Cyber Attack -Terrorist Attack -EMP Attack -Nuclear Attack In any one of the above scenarios, government can declare martial law and suspend your rights immediately. Speaking of which, do you know which rights of yours you ll be giving up under martial law? The rights that you will have to give up, include, but are not limited to: -Freedom of speech -Right to a fair trial -Right to keep and bear arms -Freedom to travel -The right to own property/own a home -The rights to your own body During martial law, the government can gain full control of literally everything, including: -Civil Transportation -Fuel/Gasoline -The Water Supply -The Food Supply -Energy -Healthcare Resources -Your Homes and Property -Businesses It should really...
