Financial Intelligence for Parents and Children: Chinese Edition (Paperback)

By Cindy Yu Cpa

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: Chinese . Brand New Book ***** Print on Demand *****.This is the Chinese edition of the twin books written in both English and Chinese. This systematic, step-by-step guide to talking to your children about money matters is a must-have resource for preparing them to navigate today's complex financial world. In a growingly complex economic environment, kids today need to develop financial intelligence more than ever-and the best way for them to do this is with the family. While other books on financial education stick to the basics, Financial Intelligence for Parents and Children delves much deeper and wider by providing step-by-step instructions for engaging in age-appropriate discussions about money and finances with children at every age level, from preschool through college. It offers you the tools you need to talk about a wide range of money matters, beginning with the ABCs of financial education and progressively building to addressing more advanced concepts. Topics covered include: Banking and credit Borrowing and spending College and retirement Gifting and estate Entrepreneurship Investing and wealth Job and income Risk and Insurance Taxes and economics It is vital that children fully understand these concepts before...
