Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 84 pages. Dimensions: 10.0in. x 8.0in. x 0.2in. The Magical Battery Park is a delightful childrens work of fiction which combines elements of fantasy and adventure, as well as a mysterious puzzle that must be solved in order for the childrens journey to be complete. The story brings a historical monument called Castle Clinton back to life through characters that embark on a fantasy adventure. Its a fun-filled tale of wanderlust aimed at the happy-go-lucky and explorative nature of children. The Magical Battery Park is also filled with humor. Along the way the children will learn something about the history of Castle Clinton, and about the aquarium-based animals that once lived there. The main characters are twin girls, Meghan and Jessica, along with their brother Zach. There is also Peyton the penguin, Bella the Beluga whale, Sparky the electric eel, Bertha the barracuda, Venus the octopus, Ally the alligator, and Sugar and Spice the golden seahorses. This is how the story unfolds: Battery Park, Castle Clinton, and the SeaGlass carousel become an exciting place for three children from Colorado who are visiting New York City. They learn that Castle Clinton was once a beautiful aquarium, but dont want a history lesson while on vacation that is no fun for kids! They must visit the yucky old castle before they can ride on the new aquatic SeaGlass carousel. The childrens adventure begins on the carousel when a magical eel grants Zachs wish to live in an aquarium with sea creatures as his friends. Zach and his twin sisters are off on an enchanting ride and find themselves inside New Yorks Aquarium back in the 1930s. They must explore the aquarium to help solve the puzzle of how they will return to the SeaGlass...
