Reviews

It in a single of the most popular publication. It is loaded with wisdom and knowledge I am effortlessly will get a delight of studying a published book.
(Aisha Swift)

THE EXERCISE OF FAITH IMPOSSIBLE EXCEPT IN THE CATHOLIC CHURCH (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It is not a little remarkable that the question of Church authority should have existed for three hundred years, and be yet entirely unsettled; in fact, the confusion relating to it does but increase. I speak of it as an unsettled question, meaning thereby, not that it is one which really admits of doubt, but as being one to which those who called it in question have not themselves given any very decided or uniform answer; there is, in fact, every variety of opinion among them relating to it; some of them act almost upon the Catholic principle, others despise it altogether. All this shows that the principles of the Reformation are but very little known; men talk of acting upon them-but what are they? Who, among the Reformed at least, can tell what they are? That they are in some way connected with private judgment in distinction from the authority of the Church is plain enough; but with regard to the extent to which private judgment is allowable, the Reformed are by no means agreed; how far, for instance, they are bound to accept the conclusions of the Reformers, or to assent to articles drawn up by the private judgment of others; or how the accepting them at all is consistent with the right of private judgment, or whether private judgment may be exercised in determining what is Scripture, as well as what is in Scripture, c. What, then, is the principle of the Reformation, and what is its character? Penny is a convert from Anglicanism to Catholicism and explains why he made this move. Speaking of the great divisions of opinion which subsist in the English Church, a writer in the...
