

Context and the Attitudes: Meaning in Context, Volume 1 (Paperback)

By Mark Richard

Oxford University Press, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Context and the Attitudes collects thirteen seminal essays by Mark Richard on semantics and propositional attitudes. These essays develop a nuanced account of the semantics and pragmatics of our talk about such attitudes, an account on which in saying what someone thinks, we offer our words as a translation or representation of the way the target of our talk represents the world. A broad range of topics in philosophical semantics and the philosophy of mind are discussed in detail, including: contextual sensitivity; pretense and semantics; negative existentials; fictional discourse; the nature of quantification; the role of Fregean sense in semantics; direct reference semantics; de re belief and the contingent a priori; belief de se; intensional transitives; the cognitive role of tense; and the prospects for giving a semantics for the attitudes without recourse to properties or possible worlds. Richard s extensive, newly written introduction gives an overview of the essays. The introduction also discusses attitudes realized by dispositions and other non-linguistic cognitive structures, as well as the debate between those who think that mental and linguistic content is structured like the sentences that express it,...
