## THE SAMSUNG WAY: TRANSFORMATIONAL MANAGEMENT STRATEGIES FROM THE WORLD LEADER IN INNOVATION AND DESIGN

McGraw-Hill Education on Brilliance Audio, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. An insider s account of the management principles driving one of the world s most innovative companies Twenty years ago, few people would have predicted that Samsung could transform itself from a low-cost original equipment manufacturer to a world leader in RD, marketing, and design, with a brand more valuable than Pepsi, Nike, or American Express. Based on ten years of research inside Samsung and interviews with 80 of Samsung s top executives, The Samsung Way tells the compelling story of how Samsung has grafted Western business practices onto its essentially Japanese system, combining its low-cost manufacturing prowess with an ability to bring high-quality, high-margin branded products swiftly to market.
