ERINGUILD (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A fantasy tale for older children, Eringuild, is an exciting, magical and imaginative adventure. Jeremy Applegate is seven years old and his once safe little world has been turned upside down. The mysterious disappearance of his father, coupled with silences, shushed words, quiet tears and a mother who doesn't want to talk about it, has Jeremy worried and scared. Deep down, however, he knows his father loved him too much to ever leave him, and so he sneaks into his study to see if he can discover what's happened. He stumbles across a clue, which shocks his mother, and leads to him being transported to the fantasy world of Eringuild, where anything and everything is possible. Eringuild is under significant threat. The rising black sun is almost ready to consume this once tranquil place and throw it into darkness, along with the help of the shadow dwellers, giants and other mystical creatures. Jeremy is tasked with the quest of finding and restoring the country's symbol of peace (a golden acorn) to its rightful place. He also learns that his father is in Eringuild, too, and sets out to find him. But time is not on his side. Can this young boy face up to these dark and dangerous creatures? Can he take on the responsibility of saving this country? And will he and his father ever be reunited? Discover all this and lots more in this colourful rollercoaster fantasy adventure that will have you hooked from the very beginning.
