

J. S. Bach for Electric Guitar (Paperback)

By Johann Sebastian Bach

Mel Bay Publications, Inc., 2016. Paperback. Condition: New. Language: English . Brand New Book. Unlike many Bach editions for guitar, these transcriptions are meant to be performed using a pick. Although a few of the pieces may be played on a standard acoustic guitar, most require an electric guitar or a guitar with a cutaway. All pieces are in the original keys and their ranges may require notes as high as the twenty-second fret. Written in notation and tablature, these six pieces make great sight reading exercises. The included online audio will prove an asset in learning these often challenging pieces. Includes access to online audio.
