WHAT SHALL WE DRINK? - POPULAR DRINKS, RECIPES AND TOASTS

Read Books, United Kingdom, 2008. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.What Shall We Drink Popular Drinks, Recipes and Toasts BY MAGNUS BREDEBEEK NOTE. The word gum frequently used in the volume is merely granulated or powdered sugar brought to a boil but not allowed to boil in enough water to make a moderately thick syrup Publisher Note For thirty-five years the author of this volume has been a newspaper man and editor, contacting life in all its myriad phases and gathering a vast store of material on many subjects, upon which he has drawn with excellent effect in the preparation of this authoritative work. He has interviewed scores of experts of the old day and the new experts, it need hardly be added, in the supremely social art of mixing liquors. He presents formulas devised by the most famous maitres-de-hotel and chefs here and abroad, drinks honored by recognition as the favorites of America and the Continent. His simplicity of style, his explicit instructions, and his warm, genial interest in the reader and the readers problems, clear up and make easily understandable a subject which has become something of a lost art during the years of Prohibition. His book will find a place on the friendly shelf of every host and hostess, as a guide in the social accomplishment of mixing drinks and serving them at the right time, in the right manner, and with the right foods. To professional dispensers of the cup that cheers, this book will prove an indispensable aid, since it combines technical information with the simplicity desired by the layman. To you all, hosts and professional hosts, and in a spirit of real service, this book is offered with the confidence that...
