SIC SEMPER TYRANNIS !, VOLUME 1

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Sic Semper Tyrannis is a memoir about a time, not so long past, when men were free, religious values were taken seriously. and parents were allowed to pass on the cultural heritage to their children without governmental interference. This fictional account is the story of what might have been, had Christian parents possessed the courage of their convictions. It depicts the use of spanking and other types of physical correction, from the perspective of an adolescent boy. Billy, a high-spirited youth, has been allowed to run at loose ends for his entire life, and has never experienced discipline of any kind. He now finds himself in a vastly different world. Bob immediately sets about bringing his kid brother into line, and giving him the Biblical discipline that he, and the other sect members, consider essential to proper child rearing. Billy strives to come to grips with the new reality. While the characters are wholly imaginary, the issues they confront are real, and threaten to undermine the very foundations of our civilization. This work does not contain any erotic material, but is a sobering assessment of today s child rearing practices in the United States and Western Europe. This is the first volume of a more extensive saga, which...
