INJECTION VOLUME 1 (PAPERBACK)

Image Comics, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Once upon a time, there were five crazy people, and they poisoned the 21st Century. Now they have to deal with the corrosion to try and save us all from a world becoming too weird to support human life. Injection is the new series of graphic novels created by the acclaimed creative team of Moon Knight: From The Dead, about how loud and strange the world is getting, about the wild future and the haunted past all crashing into the present day at once, and about five eccentric geniuses dealing with the paranormal and numinous as well as the growing weight of what they did to the planet with the Injection. Beginning with Maria Kilbride, the troubled troubleshooter for the research wing of mysterious multinational FPI, dragged from hospital to investigate a case of a possessed laboratory and a disappearance that, impossibly, has the hallmarks of ancient folklore.
