Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from A Study of the Types of Literature This course in the types of literature has been worked out with senior classes in high school during the past five years, but there are also included here the results of practical class-room experience covering a much longer period of time. For this reason it is impossible to make a separate acknowledgment of indebtedness to each of the large number of authorities and experts in each type that have been consulted at various times, and to whom I owe much by way of information and inspiration. I am, however, deeply grateful to them. In the arrangement of the material of this book, the aim has been to make it clear, compact, and interesting to high school pupils; to stimulate the students own thoughts; to give breadth of view; to make books and reading as attractive as possible; to arouse love for the best things that have been written, not only in the past but in the present time, and to focus the attention on the literature itself rather...
