Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . It is concerned with the benefits of an activity solely and exclusively for a single participator - the party with capital or power - rather than the overall interests of the community as a whole. High levels of taxation and regulation, or worker control, are one response: but if we want enterprise and economic activity - and it is difficult to see how we are going to get greater shares in...
