So much fighting, so much death, and so many trials, never has this small band of soldiers faced so much tribulation. The Apocalypse is real, and it takes the form of men bound and determined to kill each other. Major Octavia and the Soldier Girls can stop it, maybe. They start a propaganda effort that sprouts into so many other, nefarious actions. The life of a spy, a mercenary, it has its cost. Midnight missions, secret orders, and enemies that can t be counted. There might be no end to the killing, and all of it to save the lives of a few dear people. The worst horror of it all, the face of the true enemy might never be seen. Maybe, you can never save paradise.
