

Beth Sholom Synagogue: Frank Lloyd Wright and Modern Religious Architecture (Hardback)

Filesize: 8.19 MB

Reviews

*It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have ever read through during my individual life and might be the finest publication for ever.

BETH SHOLOM SYNAGOGUE: FRANK LLOYD WRIGHT AND MODERN RELIGIOUS ARCHITECTURE (HARDBACK)

[DOWNLOAD](#)

The University of Chicago Press, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book. In a suburb just north of Philadelphia stands Beth Sholom Synagogue, Frank Lloyd Wright's only synagogue and one of his finest religious buildings. Designated a National Historic Landmark in 2007, Beth Sholom was one of Wright's last completed projects, and for years it has been considered among his greatest masterpieces. But its full story has never been told. Beth Sholom Synagogue provides the first in-depth look at the synagogue's conception and realization in relation to Wright's other religious architecture. Beginning with Wright's early career at Adler and Sullivan's architectural firm in Chicago and his design for Unity Temple and ending with the larger works completed just before or soon after his death, Joseph M. Siry skillfully depicts the architect's exploration of geometric forms and structural techniques in creating buildings for worshiping communities. Siry also examines Wright's engagement with his clients, whose priorities stemmed from their denominational identity, and the effect this had on his designs - his client for Beth Sholom, Rabbi Mortimer Cohen, worked with Wright to anchor the building in the traditions of Judaism even as it symbolized the faith's continuing life in postwar America. With each of his religious projects, Wright considered questions of social history and cultural identity as he advanced his program for an expressive, modern American architecture. His search for a way to combine these agendas culminated in Beth Sholom, where the interplay of light, form, and space create a stunning and inspiring place of worship. Filled with illustrations, this remarkable book takes us deep inside the synagogue's design, construction, and reception to bring us an illuminating portrait of the crowning achievement of this important aspect of...
