Big Book of Latex Fashion (Paperback)

By Studio 5 Graphics

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. One of the most striking ideas about Latex as a fashion statement has been the allure of Hollywood Stars wearing latex on both the silver screen in movies like The Matrix, and on the red carpet at red carpet events. We are also seeing it as part of New York Fashion Week, which is opening doors that were previously closed because of the fetish appeal of Latex. People see this and it starts to remove the fetish feel that latex has had for decades. As a fetish it serves a purpose of fetishizing the fabric, the ideals around the fabric, and what latex represents. Latex as a fashion statement that is entering the popular lexicon though latex has turned into something that can be worn by anyone at any time for any reason. Latex wear is all the rage at night clubs and at private parties with both men and women wearing latex because it makes them feel more bass ass than anyone else at the party. While there is an initial shock at wearing latex, once the process...

Reviews

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.

-- Prof. Llewellyn Thiel

This pdf may be worth getting. It is actually writter in straightforward words and not difficult to understand. You will not feel monotony at at any moment of your respective time (that's what catalogs are for about should you request me).
