Uncovering the Unconscious: A Course in Self Transformation (Paperback)

By M D Mardi Horowitz

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A conscious mind is like a movie screen displaying images from two powerful projectors, one from our unconscious and one from the physical world. These images have very social contents: Our identity is based on how we see others and are seen by them, in both real and imagined ways. Knowing more about our unconscious beliefs about self and others enhances our understanding of our motivations - and that helps us make better choices in pursuing our goals and striking necessary compromises. Many people have lapses in self-esteem or experience disturbances in their sense of identity. Uncertainties and contradictions based on erroneous beliefs prevent them from triumphing over their crises, like a double-headed dragon preventing the hero from reaching his goal. Religion, philosophy, psychology, and psychoanalysis all factor into our self-understanding. Recent studies also tell us more about how learning on one's own can solidify skills and increase self-esteem. This book serves as a guide through the theater of the mind, offering insight on the many factors of identity. Consider it a script for how to resolve conflicting...
