PHANTOMS OF THE MIND

Infinity Publishing. Paperback. Condition: New. 212 pages. Dimensions: 8.2in. x 5.4in. x 0.5in. This exciting book is an in depth study of psychological perception. The author contends that the human mind or psyche creates an image of the outer world from the information provided by the senses, which we all believe to be reality. However, the objects observed, the energy that transmits their appearance, the nerve impulses from the sensory receptors, and the sensations in the brain are all different things...
