This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Desire begets evil, if not harnessed by choice! Today you steal pegs; tomorrow you will steal a nation. So said the old Gypsy to eight year old Nicolae when he was caught stealing from her wagon. 1987 Bucharest, Romania. Nicolae Ceausescu, has grown up to be a nasty piece of work. When he planted the seeds of a second holocaust against the Romani gypsies, they decided to go to the hag in the mountains and invoke an ancient and powerful curse, which would spread like a virus, contaminating him and his desire driven friends. 2012 Catford, South London. Jim was in the middle of a small plumbing job when Eileen appeared behind him with a steaming hot mug of tea and unexpectedly announced that she had an important message for him, from an ethereal source. Your current life will collapse; you will end up on the other side of the world, becoming the only chance of deliverance for an innocent young lady who through no fault of her own becomes enmeshed in the wrath of a Gypsy curse Jim naturally concluded that the old girl was completely crazy, smiled politely and left. How would it all end or could it all end at all?.
