Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Professional traders don't think like Main Street they think like Wall Street. If you want to become very successful in this business as a retail self-directed trader you must develop a Wall Street mentality when it comes to making money, there is just no other option. If you study what the Wall Street banks and the hedge fund people are doing, become disciplined like them and then emulate their performance you can make a nice living in the markets. Disciplined Forex Trading for Beginners is for all beginning aspiring self-directed investors and traders who are just getting their head around doing the Forex day trading and swing trading business. Everyone has their own ideas of what they think day trading and swing trading are and what it can do for them. This book is for raw beginners and will detail many of the things that a brand new trader must learn not to do before they can become consistently profitable in the live markets. I wrote Disciplined Forex Trading for Beginners for people who want to start their own Forex trading business and become self-directed participants in today's financial markets who have zero experience and are looking for the best quality basic information to get them started driving their money train to the bank every day. When you are done reading Disciplined Forex Trading for Beginners you will have an excellent basic explanation of what and what not to do before you even study anything or do any kind of education. The information in Disciplined Forex Trading for Beginners will put you on the fast track to becoming a successful self-directed investor and swing trader with very...
