Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The emphasis in the life is short looked like an alert. As an old drafter of the magazine used to say: the important is what is between the lines. I was thoughtful and I did what all the men do: I looked to the legs and curves of my new friend, while she walked until the seat that was behind the pilot, while she looks indifferent. In all the paradise, there is a serpent, and it would be disappointing if it were she. I am old, at least for my profession. I have lived for more than half a century. I have few scars in the body and in the soul. I caught many injustices with the length of my video camera; in all these years I believe the society turned so dismal. We feel a silence and not clear scare slides over our skin, like the feeling read The Monkey s Paw, from W. W. Jacobs, for the first time.
