Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. He was my dad s best friend - and my first crush. Falling for him was bad. Flirting with him and trying to get in his pants the night of my 21st birthday party was definitely worse. But can you blame me? I hadn t seen the guy in years and he comes back looking hotter than ever. Our fling shouldn t have even begun but now that it has, I don t want it to stop. I m crazy for this guy - and he s obsessed with me. Too bad my father will kill him if he finds out. So we can t tell him. We just have to keep it secret. Right? That might have worked.until he got me pregnant. How can we keep what we ve done a secret? And what if he doesn t want us to? This is a standalone novella with a HEA! Penny Wylder writes just that - wild romances. Happily Ever Afters are always better when they re a little dirty, so if you re looking for a romance that will make you feel naughty in all the right places, jump right in and leave your panties at the door!.
