

## Developmental Mathematics: Prealgebra, Elementary Algebra, and Intermediate Algebra -- Life of Edition Standalone Access Card Plus Myworkbook

By Tom Carson

Pearson, 2017. Book. Condition: New. Language: English . Brand New Book. The new Carson All in One, Developmental Mathematics: Prealgebra, Elementary Algebra, Intermediate Algebra, offers everything needed to teach the full developmental math sequence in one flexible course solution. True to the Carson approach, it guides students to success by presenting the why behind understanding algebra, and includes the complete Carson Math Study System with a Learning Styles Inventory to address individual learning styles. The authors speak to students in everyday language and walk them through the concepts, explaining not only how to do the math, but also where the concepts come from and why they work, to foster conceptual understanding. ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable.
