Hammers on Bone (Paperback)

By Cassandra Khaw

St. Martins Press-3pl, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Cassandra Khaw bursts onto the scene with Hammers on Bone, a hard-boiled horror show that Charles Stross calls possibly the most promising horror debut of 2016. A finalist for the British Fantasy award and the Locus Award for Best Novella! John Persons is a private investigator with a distasteful job from an unlikely client. He's been hired by a ten-year-old to kill the kid's stepdad, McKinsey. The man in question is abusive, abrasive, and abominable. He's also a monster, which makes Persons the perfect thing to hunt him. Over the course of his ancient, arcane existence, he's hunted gods and demons, and broken them in his teeth. As Persons investigates the horrible McKinsey, he realizes that he carries something far darker. He's infected with an alien presence, and he's spreading that monstrosity far and wide. Luckily Persons is no stranger to the occult, being an ancient and magical intelligence himself. The question is whether the private dick can take down the abusive stepdad without releasing the holds on his own horrifying potential.

Reviews

This publication is very gripping and interesting. We have go through and so i am confident that i am going to planning to read through yet again again in the foreseeable future. You are going to like how the blogger write this ebook.
