Networked Audiovisual Systems

By Brad Grimes, InfoComm International

McGraw-Hill Education - Europe. Hardback. Book Condition: new. BRAND NEW, Networked Audiovisual Systems, Brad Grimes, InfoComm International, The industry-standard guide to networked AV systems-exclusively from McGraw-Hill Professional and InfoComm International. Networked AV Systems addresses the essential information that audiovisual and information technology professionals need to know when working with equipment and processes that have become more and more network driven. Based on InfoComm's performance standards for the AV industry as they relate to networking, this book serves as both a reference tool and a curriculum for study. The perfect supplement to CTS Certified Technology Specialist Exam Guide, Second Edition, this official reference features complete coverage of all networked AV learning objectives, including on-the-job tips and end-of-chapter review question with in-depth answer explanations. More than 150 illustrations reinforce key networked AV technology concepts. Coverage includes: The Certified Technology Specialist; the CTS Exam; Essentials of AV Technology; Analog and Digital Signals; Audio Systems; Video Systems; Networks; Signal-Management Systems; Control Systems; Electrical Systems; Radio Waves; Preparing for AV Solutions; Gathering Customer Information; Conducting a Site Survey; Evaluating a Site Environment; Maintaining Awareness of Changes to the Site Environment; Developing a Functional AV Scope; Designing and Building an AV Solution; Designing an AV Solution;...
