

## Extraction of Teeth (Classic Reprint)

By J. H. Gibbs

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 188 pages.

Dimensions: 9.0in. x 6.0in. x 0.4in. Excerpt from Extraction of Teeth The only justification for adding still another to the list of books upon the extraction of teeth is that the author has something new to say. No progress has ever been made by orthodoxy, and it is my deep conviction that the orthodox methods of extracting teeth are wrong in principle and bad in practice that has induced me to consent to give a wider publicity to my own heterodox views. For some years past, a number of Colonial and American dental graduates have been coming to Edinburgh for a few months for special instruction in Ansthesia and Extractions, and they and many medical practitioners who have attended my Department at the Royal Infirmary, have expressed the wish that I would write a book embodying my teaching, and, so far as it is possible, describing the technique. The task has been more arduous than I anticipated. The book has been written and re-written at odd moments during the past five years, and had it not been for the great help afforded by my wife in revising and correcting...

### Reviews

*Without doubt, this is actually the very best function by any article writer. it was writtern quite flawlessly and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- Prof. Isobel Heller MD

*A must buy book if you need to adding benefit. It really is writter in straightforward words and not difficult to understand. I am just pleased to let you know that here is the best ebook i have got read through in my individual daily life and may be he best book for ever.*

-- Prof. Charles Boehm
