

Communication Interventions for Individuals with Severe Disabilities

By -

Brookes Publishing Co, United States, 2016. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book. What does the latest research tell us about communication interventions for people with severe disabilities? Find out in this authoritative research volume, which investigates the effectiveness of today's communication interventions, synthesizes evidence from current studies, and identifies urgent research directions for the future. Shaped by a conference of The National Joint Committee on the Communication Needs of Persons with Severe Disabilities (NJC), this interdisciplinary book includes contributions from more than 30 top scholars from diverse fields, including psychology, special education, and speech language pathology. Each chapter gives readers a brief summary of research studies on a key intervention topic, insights on research design and measurement challenges, thoughts on future advances, and real-world clinical and educational recommendations. Essential for the reference libraries of educators and professionals, this book offers powerful insights about today's communication interventions-and sets a clear agenda for tomorrow's groundbreaking research Topics Included:* prelinguistic communication intervention for young children with intellectual disabilities* challenging behavior and communicative alternatives* interventions for children who are deafblind* augmented language interventions for children with severe disabilities* parents as partners in communication...

Reviews

This is actually the finest pdf i have got study right up until now. It can be full of wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).
