HarperCollins Publishers Inc, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. From Wattpad phenom Sarah White comes a steamy teen romance about one girl s quest to find herself after a traumatic breakup. The only thing worse than having your boyfriend dump you is having him dump you for your best friend. For Everly Morgan the betrayal came out of nowhere. One moment she had what seemed like the perfect high school relationship, and the next, she wanted to avoid the two most important people in her life. Every time she sees them kiss in the hallways her heart breaks a little more. The last thing on Everly s mind is getting into another relationship, but when she meets Gabe in her therapist s waiting room she can t deny their immediate connection. Somehow he seems to understand Everly in a way that no one else in her life does, and maybe it s because Gabe also has experience grappling with issues outside of his control. Just because they share so many of the same interests and there is an undeniable spark between them doesn t mean Everly wants anything more than friendship. After all, when you only barely survived your last breakup, is it really worth risking your heart again?.
