

Thompsonville Collection: Mystic Song of the Deep South (Paperback)

By MR Otis Windham Jr

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Thompsonville is an unassuming Mississippi town situated in the southern piney-wooded hill country. Louisiana is not too far to its south and the Alabama state line is much closer to the east. Thompsonville has an unusual heritage. It was established in the late 1800s by Georgia plantation slaves who migrated there during Reconstruction. It has secrets and stories to tell about ordinary and not so ordinary people. These tell of love, happiness, fear, losing, winning, anger and sometimes sadness. Thompsonville is indeed a power place. Its people are, for the most part, good-hearted humble folk who respect, revere and enjoy a close connection to their heritage. Their lives reflect hope, never giving up and belief in a higher power. Thompsonville collection, Mystic Song of The Deep South is presented as a series of short stories with varied themes. Each story weaves threads of love, growth and transformation.
