

## Young Investigators: The Project Approach in the Early Years

By Judy Harris Helm, Lilian G. Katz

Teachers College Press, United States, 2016. Paperback. Book Condition: New. 3rd Revised edition. 229 x 152 mm. Language: English . Brand New Book. Now in its Third Edition, Young Investigators provides an introduction to the project approach with step-by-step guidance for conducting meaningful investigations with young children. The authors have expanded their bestseller to include two new chapters-How Projects Can Connect Children with Nature and Project Investigations as STEM-and to provide more help to teachers of the youngest children (toddlers) and older children (2nd grade). The new edition also shows teachers how to use standards in the topic selection process and identifies activities and experiences that will help children grasp key concepts and skills. Throughout the text, readers listen to teachers concerns, witness how they find solutions to challenges, and experience how excited children become during project work. This book is appropriate for those new to using the Project Approach, as well as for teachers who already have experience with implementing the Project Approach. Book Features: \* Examples of projects from child care centers and preschool, K-2, and special education classrooms. \* Instructions for incorporating standards and STEM skills into project work. \* A variety of experiences to help children connect...
