Alpha-Mania Adventures is an innovative five-book series that ignites imagination and gives pre-reading children the foundation to become successful readers in the future. These exciting and colorful stories are the perfect tools to teach pre-reading skills through play. Storytime at home or in the classroom becomes fun and educational. After much merriment and fabulous food, the gang realizes that the ship has accidentally set sail. The Alpha-Maniacs must help the bumbling pirate crew right their ship and return to Letter Lagoon before nightfall. Every Alpha-Mania Adventures book includes: An introduction to phonological awareness and tips to use the book to its maximum benefit An exciting story that will charm young audiences A Find the Hidden Objects phonics activity embedded in the illustrations Bonus Activities related to phonological awareness, phonics, and/or letter formation Easy-to-use guides on Letter Sounds and/or Letter Formation Join the Alpha-Maniacs on their third of five phonological pirate adventures with The Fantastic Floating...
