Brand New Book ***** Print on Demand *****.Excerpt from Soil Survey of Dekalb County, Missouri, 1916 By H.H. Krusekopf, In Charge, R. C.Doneghue, and M.M. McCOOL. of the University of Missouri. Description Of The Area. Fui. 1.Sketch map sbowing location of the Dekalb County area, Missouri. Dekalb County, Mo., lies in the northwestern part of the State, midway between Kansas City and the Iowa State line and 15 miles east of St. Joseph. It is bounded on the north by Gentry County, on the east by Daviess and Caldwell Counties, on the south by Clinton County, and on the west by Buchanan and Andrew Counties. It is nearly square in outline and measures 21 miles east and west and 20 miles north and south. The county has an area of 417 square miles, or 266, 880 acres. Dekalb Coimty is included within the physiographic division of the State known as the Rolling Prairie of northwestern Missouri. It occupies a broad, rolling, well-dissected plain, with a gradual slope to the south and southeast. Broad, flat bottoms a re developed a long the larger streams. The...
