## Fix My Knee: A Guide to Preventing and Healing from Injury and Strain (Hardback)

---

By George Demirakos

ROWMAN LITTLEFIELD, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. In 2015, there were roughly 10.4 million patient visits to doctors offices because of common knee injuries such as fractures, dislocations, sprains, and ligament tears. It is one of the most common problems affecting the muscles and joints of the body after back and neck pain, and is the most common site of pain and disability in the upper and lower pain and disability in the upper and lower limbs. The knee is often one of the most problematic areas of the body, whether you re focused on long distance running, sports that require plenty of cutting and sharp lateral movement, heavy lifting, or any activity that s hard on the legs. The wellbeing of your knees and the muscles around them are an essential part of your fitness goals, even if keeping them strong and supple isn t necessarily part of your program. Even people who are not involved in heavy fitness activities can develop knee pain. The truth is that if you ve never felt any kind of knee pain whatsoever, the chances are good that as you grow older, you will. Our bodies...
